

Hey Gan Izzy!

What a super fun filled first week at Camp Gan Israel!!!

Every day was full of fantastic activities and we can't believe that it's the end of the week already! Some specialty activities that we had were getto-know you games on Monday and Jewish Name Hunt and Stress-ball making on Tuesday. We had an awesome TRIP DAY on Wednesday for the younger bunks who went to the gorgeous Lake where we got to go boating and 'drive' the boats ourselves! We joined fun with learning by teaching kids about Jewish heros like Avraham, Yosef, and Miriam and learned lessons like being kind and welcoming to people like Avraham was, and had arts and crafts and activities linked with the learning of the day. During 'choice' we have been busy roller skating, making cool rockets, or carving vegetables into instruments! The kids really enjoy having a say in these activities. We have enjoyed specialty art classes and specialty sports where we learn new things each time. Swimming has been a blast -- the kids come back so happy! And for the older bunks....we had our super duper OVERNIGHT!! Overnight was awesome with all the games, food, tents, and songs...it was a great bonding experience for campers and counselors and the impact will surely last the summer! Friday (for those in camp) we got to bake challah, make ice-cream sundaes, and enjoy a shabbat party with all our favorite CGI shabbat songs. And all this is besides for the abundance of other crazy cool activities throughout each day!!!

We really enjoyed the first week here at CGI Milwaukee, and look forward to lots more fun in the weeks ahead!
