HEY GAN IZZY!

Week 3 was AWESOME! We started the week off with really cool trips for the whole camp! The younger bunks headed to Doctor's Park to assemble and fly kites, followed by relaxing at the beach. The older bunks got very muddy and had a blast CAVEING! We learned all about the formation of natural caves and explored them by crawling through tunnels (and the girls enjoyed mud masks, of course!) Every bus trip is more fun than the last, as everyone sings and cheers at the top of their lungs. 🎵

This week, we also learned about some key figures in Jewish history. We started with Daniel and learned about his miraculous experience in the lion's den. This led us to discuss how to stay true to yourself even in difficult situations. We then moved on to Queen Esther, really bringing the Purim spirit into July, complete with making Hamantaschen! We connected this to our lives by thinking about prayer, meditation, and gratitude. We finished up the week by talking about our two more key Jewish heroes, Mattisyahu from the Chanukah story and Hillel the Elder. Through our conversation about Hillel and Shammai, we discussed how to have disagreements in a way of mutual respect. It's so much fun to walk around and sit in on the camper's shiur for a few minutes; we're seeing campers sitting on the edge of their seats, asking endless (brilliant, creative) questions, and relating what they are learning to their own lives and experiences.

We love and appreciate your children more the more we get to know them! Thank you for gifting us your unique, spunky, smart, kind camper each day!
