Head Counselor CORNER

HELLOOOOO GAN IZZYYYYYYYY!!!!!!

(THE GREATEST CAMP IN THE WHOLE ENTIRE UNIVERSE!!!!)

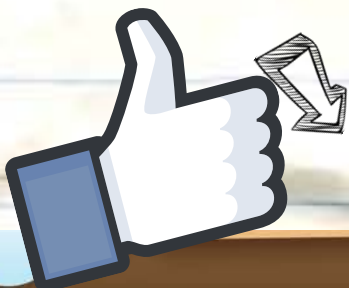

Week 2 was a BLAST! We started off the week with a full-camp trip to the beach, where campers swam, built stellar sandcastles, and reapplied sunscreen like nobody's business! We got back to our normal routine on Tuesday with Choice in the afternoon, featuring carving watermelons, putting our egg-drop contraptions to the test from the top of the playground, and roller skating to fun music. On Wednesday we jumped our hearts out at Sky Zone. We have no doubt that the campers slept very well that night! The older girls bunks have started working on beautiful challah covers - they're coming out great! Some of the most fun activities of the week have been making candy sushi and of course, every parent's favorite: SLIME! And who can forget Pirates Hollow?!? We had SUCH a great time!!!!

This week, we also learned about some key figures in Jewish history. We started with Joshua and learned about how the Jewish people entered the Land of Israel from the desert and all the miracles that took place. This led us to discuss the many miracles we see in our day-to-day lives. We then moved on to Chana, and learned how she really set the stage for prayer as we know it. We connected this to our lives by thinking about prayer, meditation, and gratitude. We finished up the week by talking about our two favorite kings, King David and King Solomon! We learned all about their wisdom and the Temples in Jerusalem. This created a wonderful opportunity to brainstorm what makes a good leader and how each one of the campers can be a leader in his or her own way.

OH! WE HOPE TO SEE EVERYONE THIS SHABBAT (At The Shul Center Tonight @ 6:45pm)! TO CELEBRATE GAN IZZY STYLE!
