# HEY CAMP GAN IZZY,

AKA THE GREATEST CAMP IN THE WHOLE ENTIRE UNIVERSEEEEE!!!

We can't believe that it's already the end of Week 4! We started the week off with some really cool trips! The younger bunks headed to Bookworm Gardens where they were able to step right into their favorite childhood storybook. They also got to feed fish, play instruments, "drive" a wagon, and more! The older bunks hit the water and went TUBING! They had a blast swimming and tubing in the beautiful weather. Tuesday was International Day, and each bunk dressed up - many campers even painted their counselors' faces! The bunks enjoyed activities such as Beaded Jewelry for Jamaica, Hawaii Pineapple for Hawaii, and writing letters to IDF soldiers for Israel. We love dress-up days! Wednesday and Thursday we all enjoyed our regular camp days and the extra swim time! On Friday, it was so fun to see the campers knock down the pins at Bowling!

This week, we also learned about some VIPs in Jewish history. We started with Yochanan ben Zakai and learned about his miraculous escape from the siege the Romans had placed on Jerusalem. We then moved on to Rabbi Akiva, who is a big role model for us. One of the lessons that we learn from him is that one should never be embarrassed to ask questions - even if they feel like they should already know the answer! We finished up the week by talking about our two more key Jewish heroes, Rabbi Yehuda haNassi, who wrote down the Oral Torah and Maimonides, who wrote many books on Torah and Jewish law.

At this point in the summer, we're seeing friendships deepen and unity in the bunk flourish! It's awesome. Thank you to our super duper campers for yet another amazing week of CGI!
