Head Counselor CORNER

WEEK 1

HEY CGI MILWAUKEE!

Wow, wow, wow! What a week!
It flew by so fast we can't believe it!

Campers started off the week with some really fun activities! Some campers made ice cream and all of us worked together (but separately :-)) to make a big beautiful canvas with our names.

On Tuesday camp continued our ice cream theme and made gorgeous fake ice cream sundaes. From ice cream we went on to delicious candy sushi! The cherry on the top was using the water slide and swimming. We all LOVED being in the water!!

Wednesday was a silly sock day and we loved seeing everyone's interesting and funny socks! Campers played Beep Beep, tag, and used hula hoops in sports.

Thursday was also the campers first day of Woodworking - we can't wait to see what our campers create! We also continued to feed our creativity by getting our hands dirty creating flower pots and planting flowers.

Today campers ended off the week with a bang! Everyone enjoyed our new water activities, art, sports and making challah for our Shabbos party!

Thanks For An Amazing Week ONE CGI!
