# Head Counselor CORNER

WEEK 1

## WELCOME GAN IZZY!

Finally! Back at CGI for another summer full of adventure!  
We are so glad you are here!

Campers started off the week singing the camp song and getting into the Torah Treasure spirit with some really fun activities! We made grass heads and then younger division played water games and got their counselors soaked!

On Tuesday camp continued and everyone went swimming!!!!!!!!!!!!!! Swimming swimming in the swimming pool!! Some of us made cheerio necklaces and some of us made our very own playdough! We also made some inedible but very yummy looking ice cream sundaes!

Wednesday we went roller skating/blading!!!! It was a blaaaaaaaaast!!! The older division played a grand game of capture the flag and then we all went on a hunt for treasures!! The treasures were hidden very well but the CGI campers used their superior discovery skills and found them all!!!!!!

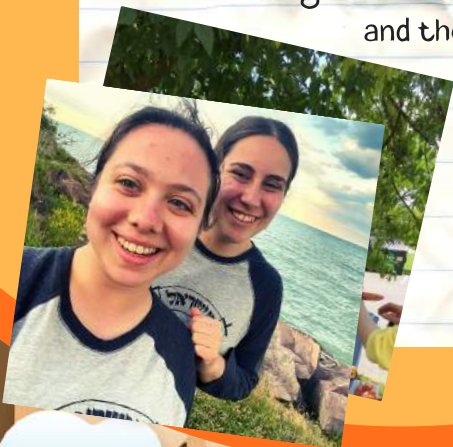

Thursday was far from sleepy, there was so much excitement happening in camp! Can we say dancing in the rain? We also made our very own pillows!

We ended off the week with a bang! Everyone went to Pirates Hollow and had a smashing time!!!!!! We had a beautiful shabbat party and shabbat spa, and then made challah with sprinkles!!!!!!!!!!!!!!

Thanks For An Amazing Week ONE CGI!  
We can't wait for next week!!!!!!
