# Head Counselor CORNER

WEEK 4

## CAMP CAN IZZY- WHAT'S UP!?! WEEK 4 WAS AMAZING!

Monday we started the week off with a trip!!! What could be better? Right? The younger division went north to Bookworm Gardens where we saw stories come to life!! Campers had an amazing time using all five senses and going in and out of little houses!!! The older campers explored nature on their hikes at Lion's Den Gorge and Kettle Moraine State Park - the views were just amazing!

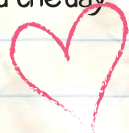

Tuesday we started the day a little differently and designed (gorgeous 😊) tissue paper outfits for our counselors!!!! We didn't realize we had so many fashion experts in camp!!!! They were all so beautiful we couldn't even choose a winner!!! Later that day some the younger campers had their chance to go hiking and others stayed in camp (well... some of us left camp to go get.... ice cream you scream we all scream for ice cream!!!). The older boys got pumped up and had a full-on PAINT WAR! And who can forget? We all enjoyed the AWESOME WATER SLIDE!!!!!!!!!!

Wednesday had the younger campers and the older girls on a bus right at the beginning of the day and we sped (very safely, thank you Kim Morgan!!!) straight to Action Territory!!! We went in go karts, bumper boats, laser tag, mini golf and last but not least the arcade!!!!!! It was a fun and packed day! The older boys division filled their day with water balloon games and getting the cars all dirty with a round of car painting (check out the pics!)

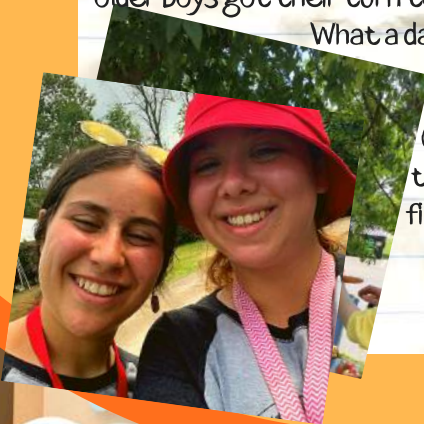

But don't worry because on Thursday Rabbi Avremi's car was sparkly shiny clean once again!! Lots of shaving cream and water balloons did the trick! Then we went sliding on the water slide because we can't get enough of it!!!! Woo hoo! After we snuck away from camp with our bunks to get some cool delicious ice cream from Crown Judaica!! The younger division continued their fun decorating and flying kites at the park. The older girls left on a scavenger hunt around town and finished the day making our cool DIY robots. While the older boys got their turn to race around the tracks and enjoy the fun at Action Territory.

What a day!

Friday came flying at us like a bowling ball cuz we went bowling! Our counselors disappeared and we had to find them and dress them up! A grand Shabbos party, challah bake and Shabbos spa finished the day - check out prizes all the campers got!
